God's Master Plan

Where did I come from?

Who am I?

Where am I going?

No generation that has ever walked the face of the earth has sought more diligently for the answers to these three ultimate questions.

Most of the initial problems of mankind today are the result of the intensive search for the missing link.

The dead end of the cults and drugs are but two of the roads modern man has traveled in search of answers.

As a result of many fruitless journeys the theme of our generation has evolved into "Do your own thing!"

Underlying this simple statement is the philosophy that there is no pattern to life. It does not matter what you think or what you do.

The most important thing is to please yourself. It makes no difference what effect this may have on others or yourself today, tomorrow, or the next day.

This is a very comforting thought, for if there is no pattern then there is no pattern maker.

If there is a plan then it necessitates the existence of a planner.

The Apostle declared,

God shall send them strong delusion. (II Thessalonians 2:11)

Isaiah said,

I also will choose their delusions, and will bring

their fears upon them. (Isaiah 66:4)

The greatest delusion ever to fall upon the mind of man is the assumption that there is no pattern to life.

*In the beginning God created the heaven and the earth.
(Genesis 1:1)*

The foundation is laid and the Pattern Maker is clearly introduced.

God created man. (Genesis 1:27)

Why?

Now we are getting to the heart of the matter.

Now it is becoming relevant.

God created man for two reasons:

One: God created man for fellowship ... a fellowship that would be based on a mutual love and friendship of the very highest level.

Two: He created man to rule the earth:

In creation God gave man the power to rule the elements.

Everything that God does is perfect and man was no exception.

There are three things that God never intended for man:

One: He never intended for man to sin.

Two: He never intended for man to be sick.

Three: He never intended for man to die.

“In the Beginning God”

God created man to live forever.

What pattern did God use when He created man?

Man was created in the image of God (*Genesis 1:27*).

In man's comparison of likeness it is the exterior that is

generally considered.

"He has his father's nose, ears, eyes, complexion or build." This is only a surface comparison that is mostly altered by the passage of time.

To find the image of God in man you have to go beneath the exterior to the very heart, the core of man's being, his spirit.

When God created Adam and Eve He put them in the Garden of Eden. There were no strings, no chains, and no buttons on them. They were not machines. They were living souls, created in the image of God with the power of a will. And God desired that man love Him as an act of his free will.

God created man for fellowship, but He did not want forced fellowship. He did not want to force Adam to seek Him, to love Him, and to say, "Adam, love Me." No, He wanted Adam to look up to Him and say, "Oh, God, I recognize You are my Creator, that You are the Creator of the world, that You are God, that there is no other beside You. I, Adam, Your creature, bow before You. I worship You, I love You." That is what God wanted.

The next question then becomes obvious: If we are created in the image of God and were created perfect beings, then why do we sin, why do we become sick, and why do we die!

There was only one way the relationship between God and man could be destroyed and that was through disobedience to the Word of God.

In the Garden of Eden, Adam and Eve destroyed the beautiful communion and fellowship God had established.

God said,

You may partake of all the fruit of the trees in this beautiful garden but one. The tree you may not partake of is the tree of knowledge of good and evil. If you partake of the fruit from this tree, in that day you shall die. (Genesis 2:17)

What God was saying was, "If you disobey Me, you will receive the penalty of sin."

There Are Only Two Powers in the World.

In our day we hear of the power of communism, the power of the bomb, the power of this dictator or world ruler, the power of drugs and alcohol over the mind of man, the power of money or the power of industry.

Every power on earth falls into one of two categories: the power of God or the power of the devil.

You may classify them as the power of good or the power of evil, the power of life or the power of death. It does not matter what you call them. It is either God's power, His might, His health, His strength, His eternal love or it is the devil's power to destroy man, to destroy his soul, and to kill him.

The thief cometh not, but for to steal, and to kill, and to destroy; I am come that they might have life, and that they might have it more abundantly. (John 10:10)

The devil influenced Adam and Eve and caused them to disobey God. By their disobedience in partaking of the tree of the knowledge of good and evil, they brought sin into the world... and through sin, sickness... and through sickness, death.

That is how sin, sickness and death came into the world.

Adam and Eve received the penalty of their sin. God said, "Adam, you have been stripped of the authority that I gave you. Now you shall only eat by the sweat of your brow. You will have to till the ground, you will have to pick the weeds and the thorns in order for your crops to grow. From now on you will have to toil hard for your living."

"Eve, when you bear your children it will be in pain, and all mothers coming after you will feel the pain when they bear a child." Man through disobedience entered into a curse.

This was not the end, for God had a plan... a plan to redeem man and bring him back into the family of God. There was a way that once again he could become a child of God. In God's master plan, God's love for man is revealed.

*Without shedding of blood is no remission.
(Hebrews 9:22)*

Without the shedding of blood there can be no forgiveness of sin. This was a vital part of God's plan to redeem man.

When Adam and Eve left the garden, God gave them a way of escape. God said, "Adam, take this lamb and kill it. You will sacrifice it. In the blood of that lamb will be a covering for your sins."

This was the first step in returning man to the family of God. Year after year the lamb would be slain and the blood would cover their sins for that year. This was initiated with Adam and can be traced down through the patriarchs and was firmly established in the Law of Moses.

Even before God set this pattern for the remission of sins for Adam, He indicated that there was a better way to come.

The conflict was clearly stated to be between man and the devil, represented by the serpent.

And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel. (Genesis 3:15)

One day there would come from the seed of a woman the perfect sacrifice for sin that would once and for all bruise the head of Satan and remove the necessity of the yearly sacrifice of the lamb. The serpent triumphed in the Garden, but one day his power would be stripped from him and God would return to man the authority that man originally had.

This was the theme and the consuming desire of the prophets down through the ages. They all looked forward to the time when God would send the Eternal Lamb.

Moses saw Him in the person of the prophet who was to come (*Deuteronomy 18:18*).

It was the central message of the Psalms of David (*Psalms 22, 23, 24*).

God's Master Plan of the Ages

There are three hundred and thirty-three references in the Old Testament to the coming of God's Eternal Lamb that would take away the sin of the world.

I have spoken it, I will also bring it to pass; I have purposed it, I will also do it. (Isaiah 46:11)

God spoke it through all of His prophets and then one day He brought it to pass. Two thousand years ago God sent His Son, the Eternal Lamb, into the world for a purpose. That purpose was to destroy the power of sin, sickness, and death and to bring man back into the family of God.

In the Garden the serpent had taken away the power God had given to man. Now God sent His Son to return that power to man once again.

The Apostle John saw it this way:

In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. (John 1:1-3)

That Word, Jesus Christ, Who made all things, became flesh.

The Son of God, Who was with God from the beginning of time, took upon Himself the form of a man with flesh and blood, arms, legs, and eyes like you and me.

Now we are arriving at a foundational truth for the existence of man and the problems of our generation. Thoreau said, "There are a thousand hacking at the branches of evil to one who is striking at the root." This booklet does not deal with the surface effects or manifestations. Its purpose is to get to the very foundation.

Why did Christ the Messiah come in the form of human flesh? That the eternal God of the universe might subject Himself to the frailties and the temptations of man who had lost the battle with sin in the Garden of Eden.

In the form of this degraded flesh, Jesus Christ overcame the

temptations of man and remained a spotless Lamb to be sacrificed for the salvation of the world.

He was made like you and me that He might lift us out of our sins and present us once again to the Father. His purpose was to remove the separation of sin. His purpose was to bring man back into the family of God.

For this purpose the Son of God was manifested, that he might destroy the works of the devil. (1 John 3:8)

After living a sinless life and being subjected to every temptation as we are, He was ready to fulfill the purpose for which He came. A good and sinless life was not enough; there had to be the perfect sacrifice for sins by the shedding of the blood of the Eternal Lamb.

He came unto his own and his own received him not. (John 1:11)

The historical record gives us a clear picture of the final moments before the most climactic event in the history of the universe.

He is brought before Pilate, the Roman ruler, for one reason: He has declared Himself to be the Son of God. Pilate examines Him and can find no fault in Him. He turns to the angry crowd incited by the religious rulers and says, "I give you Jesus." But they reply, "Crucify Him, we don't want this man to reign over us."

He came unto his own and his own received him not. (John 1:11)

Pilate succumbs to the wishes of the crowd. They lead Him down a little narrow staircase to the judgment chamber.

Now we are getting closer to the full revelation of the purpose for which He came. He did not come to sit on a throne and to wear a crown of diamonds on His head. He did not come to rule as a king over man; He came for another purpose.

See Him as they strip the clothes off His back and strap Him

to the whipping post. A big Roman soldier picks up a whip made of many leather straps. On each strap there are many pieces of metal. The soldier begins to use this terrible weapon on the back of Jesus. See Him, the Son of God, as the metal pieces dig into His back and then are torn out again and again until the back of Jesus no longer resembles human flesh.

Was this foretold in the Old Testament scriptures?

Listen to the words of Isaiah, written six hundred years before:

Who hath believed our report? and to whom is the arm of the LORD revealed?

For he shall grow up before him as a tender plant, and as a root out of a dry ground; he hath no form nor comeliness and when we shall see him, there is no beauty that we should desire him.

He is despised and rejected of men; a man of sorrows, and acquainted with grief; and we hid as it were our faces from him; he was despised, and we esteemed him not.

Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted.

But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.

All we like sheep have gone astray; we have turned every one to his own way; and the LORD hath laid on him the iniquity of us all. (Isaiah 53:1-6)

See Him as they take Him down from the whipping post.

See Him as they mock and ridicule the Son of God. Then they beat Him and put that heavy cross on His shoulders. He is so weak from His suffering that He cannot carry the cross. He falls! There He is lying on that road... the wooden cross lying over His body. The blood is pouring from His back. The crown of thorns is deep on His brow. The blood is pouring down His face. Look at Him lying there. Then remember this: **God sent His Son into this world for a purpose.**

God's Master Plan

God sent Jesus for a purpose!

You and I have gone astray. We have run from God. God laid on Jesus your sin, your guilt, your pain, your sickness, and your death.

He laid it all on Jesus.

Look at Him as they nail Him to the cross... as He looks up into the heavens and says, *"Father, forgive them; for they know not what they do"* (Luke 23:34).

Look at Him, and you will see the blood on His head, His side, and on His feet. There is blood on His face and across His back.

Remember, God sent His Son here for a purpose.

The purpose was to pay the price for our sins and for our sicknesses.

This was **God's Master Plan** to forgive us, to redeem us, and to give us a way to become the children of God.

There are two things you never have to bear again:

One: You never have to bear your sins again. You never have to carry this heavy load.

Who his own self bare our sins in His own body on the tree, that we being dead to sins, should live unto righteousness: by whose stripes ye were healed. (I Peter 2:24)

Two: You do not have to bear your infirmities any longer.

"Bless the LORD, O my soul," said the Psalmist, "and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases" (Psalm 103:1-3).

Himself took our infirmities, and bare our sicknesses. (Matthew 8:17)

Look and see the body of Jesus on the cross and see the forgiveness of your sins and the healing of your body. The price has been paid.

God wants to give you two miracles in your life right now!

God's Master Plan of the Ages

One: The miracle of your forgiven sins!

Two: The miracle of the healing of your physical body!

Many reading this booklet have no peace or joy in their lives. Life is misery to you; but you have been able to see through the eye of the Holy Spirit that Jesus Christ came to this earth to bear your misery, to bear your sin, to take it away.

All we like sheep have gone astray; we have turned every one to his own way, and the LORD hath laid on him the iniquity of us all. (Isaiah 53:6)

First, you must be willing to see yourself as a sinner.

For all have sinned, and come short of the glory of God. (Romans 3-23)

You must be willing to come God's way, and kneel before that cross and say: "Lord Jesus, I am a sinner, and I want you to save me. I want you to forgive my sins, and Lord Jesus, I want you to come into my life and live in my life."

You must be willing to turn your will over to God and surrender your life to Jesus Christ. You must be willing to acknowledge yourself as a sinner and that Jesus is the Son of God. If you will do these two things, you will be saved right now. Your sins will be forgiven and you will be a child of God.

He will not let you down.

God is not depending on any merit you may have.

It is the surrender of your life to Jesus Christ that is the link.

... and him that cometh to me I will in no wise cast out. (John 6:37)

I know you feel the Presence of God right where you are. Right now pray with me and surrender your life to the One Who sacrificed His life for you, Jesus Christ.

Please know that as you repent of your sins and receive Jesus as your Lord, He will forgive your every sin and He will make you whole. You will be put in a position of right-standing

before God, able to come to Him with your needs, your hurts, your heartaches... you will experience His grace and healing touch.

Now, pray with me:

Jesus, I know that I cannot save myself by any thing I do. I believe that You died for me and that You shed Your blood for my sins. I believe that as You hung on that cross You took away my sin and took the entire penalty for my sin.

I believe God raised You from the dead and that You are alive today. You are the Lord of my life. Thank You for taking me as I am and for cleansing me, for changing me, for placing Your life, Your love within me. Teach me Your will as I commit my entire being to You.

If you prayed this prayer from your heart, I am expecting revelation knowledge to break in upon you. I am expecting you to experience an anointing upon your life where you will receive answers to prayer as you have never known. Let me pray for you right now:

Father, I pray specifically for this one who prayed just now. Let them experience Your Presence, let them know Your love in the depths of their heart. Give them the breakthrough they need in their personal life. Touch them with Your miracle-working power. Heal their body and open their spiritual eyes to Your Word and Your promises to them. In Jesus' Name. Amen.

As you read the testimonies in the following pages, realize that God has no favorites. He does not have some that He loves more than others. What He has done for one He will do for all. So join with us in praise and thanksgiving for the things He has done!

Testimonies

Jenny Van Wey

At the 1989 Miami Miracle Clinic, the Lord reached out through God's servant and set me free from a life of torment and oppression. Now I am ministering deliverance to others.

"I was oppressed since I was three years old. My father was an alcoholic. I realize now that the molestation and physical abuse were demonic... it was not my father who was evil, but uncontrollable forces in him which made him take his rage out on me.

"I would cry and nobody would come. Satan had a counterfeit... imaginary friends. It started then and became worse as I grew up.

"From 1986 to 1989 I had been in and out of psychiatric wards ten times. I was nonfunctional... unable to dress myself or brush my teeth. I looked so hideous to myself I wanted to bash my face in.

"I would see little green things with red eyes banging on our windows. I would sit in the psychiatrist's office, slashing at my arms with razor blades and lighted cigarettes, saying 'See, I'm dead, I'm dead.' Inside, I had quit trying, I had shut down, and Satan had taken over, our house became filled with spirits. I was totally out of control... unable to function.

"I asked the Lord into my heart, but still wasn't completely free. But hope was born in me... the Holy Spirit gave me the hope to hang on.

"I kept going, though oppressed. I wanted to be in the Presence of God, but when in church the Presence of God would fall, it would be too much for me and I'd run out the back. In 1988, I tried to slit my wrists, but the Lord told my friend, she intervened, and began ministering to me.

"When I saw Brother Cerullo on television, I saw Jesus in his eyes, and the Lord put in me a desire to come to the Miami Miracle Clinic, saying 'Jenny, I want to set you free, and I'm going to use you to set other people free.'

"During the healing service I was under such oppression that the demons were going bonkers. The people around me began praying that Brother Cerullo would see that I needed help.

"When Brother Cerullo began to minister to me, the Lord just took it... just took it. All the cloudiness of the oppression was gone! After all those years of pain, suffering and trauma, all the demon powers and oppression were completely gone!

"My life has been totally transformed since that night. Where before I was constantly medicated, all my levels are now normal... I now am completely off all medications. My husband and I have bought our first home, after 12 years of marriage, because I am now stable. Thank You, Jesus!

"Now I am being used by the Lord to minister healing and deliverance to others in my own neighboring churches. What a mighty God we serve!"

Cozie Harper

“I came to the World Conference suffering from 20 years of constant, grueling pain.

“After a series of three surgeries following a car accident in 1969 didn’t relieve the pain, the doctors began prescribing numerous different medications. I even needed to use an electric shock device which was supposed to ‘trick’ my brain into thinking pain was gone, but as soon as I removed the electrodes, the pain recurred.

“As I sat in the audience during the service and heard Brother Cerullo call out healing of someone’s back, I didn’t immediately think of myself. My daughter spoke out and said, ‘Mom, he’s talking about you. Go on up.’ Just as she said it, I felt a warm liquid feeling course through my back and I went to the platform, totally healed!

“I no longer have any pain, nor do I need to use any of the pain medication or devices. Praise God!”

Peggy Gipson

“I was in torment when I came to the World Conference. I had been under bondage to a spirit of gluttony for over two years. I had gained over 40 pounds, and felt constantly compelled to eat! I would think constantly about food, dream about food, crave all varieties of foods. It had just about taken over my life.

“I knew it was a spiritual problem, but I just couldn’t seem to get the victory over it.

“During the deliverance service on Tuesday night, when Brother Cerullo was praying, I went to the altar. I could actually feel God’s touch as He released me from bondage!

“Now my appetites are normal, and I have no urge to gorge myself. I am free! Thank You, Jesus!”

Faye Books

“When I came to the Morris Cerullo Faith Clinic I hadn’t been able to hear without my hearing aids for 18 years,” says Faye Brooks. “But when the healing explosion began that Sunday afternoon and Brother Cerullo said the Lord was in the room, I claimed healing for my ears.

“God touched me that afternoon and now I can hear the smallest voice... without the hearing aids! I could even hear my daughter speaking softly behind me when I was on the platform with Brother Cerullo. Since I returned from the meeting, I have been able to hear clearly, even on the telephone. Praise God!”

Clydia Woodard

"I had suffered for years as the result of an auto accident. After being struck in a hit-and-run collision I needed surgery and a back brace.

"In much pain, I came to a Morris Cerullo Faith Clinic expecting my healing. As a step of faith, I took off the back brace and left it in my hotel room.

"Then during the Sunday healing explosion, I was totally healed of all pain. I ran back to my room, retrieved the brace and watched as Brother Cerullo waved it back and forth. For the first time in years, I bent, stretched and reached."

Rena Reyes

“I looked forward to coming to the World Conference. I had received books and literature, but this was to be my very first meeting. I was expecting to be anointed, refreshed and renewed in spirit.

“But, several weeks before, the enemy began to play dirty tricks to try to keep me in bondage. I found myself caught in the grips of a terrible spirit of anger. I had no control... it was like a volcanic eruption living inside me. I recognized it as a spirit, but all I knew to do was to bind it... and it seemed to get more and more intense, rather than loosening, as I prayed.

“When, at the Tuesday night service, Brother Cerullo began to pray the deliverance prayers, I tried to avoid admitting that it was for me. I told myself I didn’t really need it, that I wasn’t really that much out of control. During the prayers, though, the Holy Spirit showed me that the problem was a spirit of rage, and I found myself being supernaturally pulled to my feet and led up to the front.

“Once there, I raised my hands and felt the spirit being broken... I felt so free! I was no longer bound by anger, resentment and bitterness. I also moved into a higher dimension of prayer language than ever before.

“Today I am full of a new love... Jesus’ love. The people I know can even see the difference in me! I’m praising God.”

Maritza Hermida

“I had been to ten different doctors, trying to get relief for the excruciating pain I had in my lower abdomen. Even though they performed exploratory surgery, they could find nothing conclusive.

“They tried one pain medication after another, but none really helped. Finally, saying it was a degenerative disease, they told me there was nothing more they could do.

“As I sat in the Tuesday evening deliverance service at the World Conference, Brother Cerullo suddenly called out that someone was being healed from a terrible pain... and he touched exactly the spot where I was hurting. At that very instant I felt the power of God surge through me, and I was totally healed!”

Selena Patterson

“For over five years I have suffered from severe, painful inflammation of my right knee, injured in a fall. I had tried to ignore the pain and stiffness—I could not bend or flex my knee—and believe for healing.

“When I attended Morris Cerullo’s meeting, God blessed me tremendously through Brother Cerullo’s powerful, anointed ministry. But the real demonstration of the power of God came on

Sunday afternoon, when there was a great healing explosion!

“After the Word of God had gone forth and many healings had taken place, Brother Cerullo called for healings of joints and limbs. I felt the fire of the Holy Spirit running through my entire body as I leaped to my feet, raced to the platform for prayer and was slain in the Spirit.

“Since that moment, I have been free of pain and able to move totally unhindered! I praise God for men like Brother Cerullo who dare to be bold, strong and obedient as they stand on the Lord’s promises for this endtime generation.”

Onothia Murphy

“Since I was 8 years old I had been suffering with curvature of the spine so severe that the doctors couldn’t even put a brace on it to help. They said it could poke my lung, and kill me and didn’t expect me to live to 18. They wanted to operate, but I rejected it, and trusted God to heal me,” says Onothia Murphy of Detroit, Michigan.

“I was in the overflow room at Morris Cerullo’s Faith Clinic when Brother Cerullo called out healings for backs.

That’s when I felt the power of God heal me.

“I had not been able to bend over for ten years, but that Sunday afternoon, on stage with Brother Cerullo, I could touch my toes again and again and I knew God had completely healed me!”

Marilyn Zauhar

“The World Conference has meant the beginning of a whole new life for me.

“I have felt isolated and tormented most of my life. I was raised as ‘Daddy’s boy,’ because Daddy didn’t want a girl. This caused me to lose my identity and sense of self-worth as a woman, as well as making me mistrust men.

“By the time I was in high school I hated myself. The lack of self-worth, evidently, left me vulnerable to a spirit of homosexuality. I never committed physical homosexual acts, but I wasn’t comfortable with men or women. I had been raised Catholic, and considered ‘losing myself in a convent, but God spared me that. I felt so alone. I tried to seek solace in the Lord, but, because Jesus was a man and I didn’t feel I could trust men, I didn’t really receive Him as my Lord or friend.

“At the deliverance service, when Brother Cerullo said there were dual personalities being broken and set free, I ran to the front of the overflow room... longing for deliverance.

“That was where the Holy Spirit revealed to me the spirit of homosexuality I had been harboring without ever recognizing it.

“As I stood there listening to Brother Cerullo praying, I felt this surge as the homosexual spirit left my body. For the first time in my life I was totally free from torment! Praise God!”

Vinson Owes

“I came to the 18th World Conference in Anaheim expecting a miracle... and God was faithful.

“I had been involved in two automobile accidents since last June, and had to have surgery. I was on pain medication constantly. I could not even bend over or walk up stairs without terrific pain in my back, shoulder and neck. I had to go to the doctor three times each week.

“During the opening night deliverance service, Brother Cerullo called out for back healings. He said that those who had painful injuries in their backs should bend over. I did, and discovered that the pain was completely gone!

“Now I can even walk up and down the stairs without pain, and have totally discontinued my pain medication. I’m healed! Praise God!”

Ted Montoya

“Six years ago, I was depressed, down, walking the streets... I was drinking a case of beer a day, had sugar diabetes, my eyesight was almost gone... I was into meditation, and mind control.

“God led me into a little church one night six years ago, where I went forward and accepted the Lord. When I walked out of the church there, right in front, was a card that said ‘God’s Victorious Army.’ I thought, ‘Here’s how I can learn about my Lord Jesus.’ I mailed it in, and began receiving Morris Cerullo’s Victory Miracle Library and then attended one of Morris Cerullo’s seminars.

“At that meeting, the Spirit really came upon me. I went home and threw away all my insulin... totally healed of diabetes.

“The devil kept trying to keep me bound, but I kept feeding my mind with the Victory Miracle Library lessons, fasting and praying, I was able to stand and say ‘no more!’

“Once I was free from the bondage of martial arts, I was able to throw away my glasses too... my vision was completely healed!

“Now I am actively ministering... going to the streets and hospitals. I teach Morris Cerullo’s *Proof Producers* lesson series and, as the faith of men and women is built up, they in turn go out on the streets to minister. They do exactly what I’m doing... reproducing from Brother Cerullo to me, from me to them... it just keeps going on and on, building God an army!”

Mary Colbert

“For two months I had been undergoing chemotherapy for several cancerous lumps in my neck... one was almost as big as a golf ball. I came to the Miracle Rally at the World Conference trusting the Lord to heal me. During Brother Cerullo’s healing prayers, I felt a supernatural touch on my nose that left me trembling. I put my hand to my neck and, praise God, the lumps were completely gone! Praise the Lord!”

There is a greater anointing upon me now than ever before to pray for your needs

I have prayed, fasted, interceded, agonized and fought spiritual warfare against satanic powers...

and God gave me a vision!

A vision of Jesus Christ, our Great High Priest, praying for all your needs.

God said, "Place the needs of my people upon the altar before My Presence.. Jesus is praying for all their needs to be met."

Dr. Morris Cerullo, President Morris Cerullo World Evangelism Over 55 years of Proven Ministry To The Nations Of The World...

Morris Cerullo's accreditation for spiritual teaching is, in itself, quite formidable: a divine, supernatural call from God to preach and evangelize when he was 15 years old... graduated from New England Bible College... over half a century of experience as a pastor, teacher, author and worldwide evangelist. Many honors have been bestowed on Morris Cerullo, including honorary doctorates of Divinity and Humanities, both by academic and spiritual leaders around the world in recognition of his achievements and contributions to global evangelization. Dr. Cerullo is respected and looked upon by thousands of Nationals as God's end-time apostolic prophet to the nations of the world. Dr. Cerullo's ministry outreaches include:

Decade Of Harvest — Reaching the unreached and untargeted people of the world with the Gospel of Jesus Christ through major Schools of Ministry, Miracle Crusades, Worldwide Prime Time Television Specials and local Schools of Ministry designed to cover every village, town and city throughout the earth. Winning the lost is the number one goal of this ministry.

Schools of Ministry — training National pastors, ministers and laypeople to reach their nations for Christ through mass evangelistic crusades.

Global Satellite Network Schools of Ministry — monthly, ongoing training for National ministers worldwide.

Blessed Magazine — Blessed is the beautiful, monthly ministry publication designed to bless, inspire and challenge the faith of the reader. Just as the Apostle John saw a door open in Heaven and heard a voice saying, "...Come up here..." (Revelation 4:1 NIV), Blessed is calling men and women to a higher place in God. When you read it, you will be "Blessed!"

Victory Television — cutting-edge daily television programming designed to strengthen the Body of Christ to reach the entire world.

The New Inspirational Television Network — the 24-hour Christian satellite television network that provides Christian programming to the entire North American continent, with an ever-expanding outreach toward linking the world via satellite television.

Dr. Cerullo has also authored more than 50 books. Few ministers have had such an impact on the destiny of the nations of the world. Morris Cerullo's life has been sacrificially dedicated to training and spiritually equipping pastors, laypeople and evangelists to reach their nations for Christ with a supernatural endowment of God's Power.
